\*-Larger or specimen plants

If we do not list plants you want please write us, as we are constantly acquiring new species and may now have same.

We have hundreds of specimen plants.....Will be glad to quote prices upon request.

We will deliver postpaid, or express prepaid, in the United States only, on orders of \$1.00 and over, except where otherwise stated.

While every effort has been made to properly classify our plants, we do not guarantee nomenclature given to be correct. We have the four volumes of Britton & Rose, (Cactaceae) and are constantly checking up on our plants.

No substitution will be made without advice from customer. Please list extra plants when ordering in case our stock is depleted.

Miniature Gardens---Planted in appropriate pottery. Prices, carefully packed for shipment by express collect, \$1.25, \$1.35, \$1.75, \$2.25, \$3.00, \$4.00, \$5.00, \$6.00 and \$10.00. Approximate weight 10 to 35 pounds.

### **CRISTATES**

We sometimes have grafted plants of cristates at \$1.00 up, according to size and rarity. Write your wants in cristates.
